

*Chapter***15*****Research*****15.1 Introduction**

The Research option allows you to view profiles of public-listed companies and research information written by analysts of Hwang-DBS Vickers Research.

## 15.2 Research

To read our research materials:

Step	Action
------	--------

- |    |   |
|----|---|
| 1. | Select DAILY RESEARCH or ARCHIVE RESEARCH from main menu option.          |
| 2. | Select the research category from the options on the left (screen 15.2a). |

The screenshot shows a web browser window displaying the HwangDBS-E'Invest website. The page title is "Daily Research Overview". The navigation menu includes: Quotes, Trading, Portfolio, Messages, News, Stock Ann, Research, Client Info, User Serv., Logout. The main content area lists the following research products:

- Daily Focus**: Highlights our stock idea(s) of the day (which is/are accompanied by a separate detailed report issued under the Company/Sector/Market Focus banner), and our Comments on the major news for the day involving all stocks under our coverage.
- Wired Daily**: A review of the previous day's market action, packed in a cluster of tables, for easy reference. Also included in this daily research publication are: a short commentary on the current day's market preview, a list of upcoming IPO companies, a comparison of regional market performance and dealings by substantial shareholders in the stocks under our research coverage.
- Company / Sector / Market Focus**: Our report(s) focusing on companies under our coverage / sector theme / market outlook that are packed with essential information to assist readers in making their investment decisions.
- Traders Spectrum**: A product oriented towards a short-term trading horizon, based on topical themes and technical factors. "From The Chartroom" is written every Monday (or the first market day of the week) to provide readers with a market feel for the coming week, while "Sense & Response" is published as and when there are interesting stock ideas and/or trading themes to be highlighted.
- Download ALL**: Daily Focus, Wired Daily, Company/Sector/Market Focus and Traders Spectrum are combined in one single file.
